**SAINT MICHAEL'S COLLEGE**

Office of the President

May 18, 2006

To the Class of 2006:

It is with great pleasure and pride that I congratulate the members of the Class of 2006. Your many achievements have been made possible by your hard work, commitment to learning, supportive relationships with each other and a genuine desire to succeed.

I also wish to express my deep gratitude to the faculty and staff of Saint Michael's for their enduring dedication to the College and the Class of 2006. Their involvement has been integral to the process of your lifelong education; in turn, staff and faculty have benefited from your presence during the past four years. This volume of the *Hilltop* will always be a positive reminder of and tribute to our shared experiences and the contributions of those who have departed from the Saint Michael's College campus.

It is my earnest hope that your years here at Saint Michael's will continue to enrich your lives far into the future. You have my best wishes for success in all your endeavors.

Once again, congratulations!

Sincerely,

Marc A. vanderHeyden  
President

# Dr. John Carvellas

The Class of 2006 would like to honor Dr. John Carvellas for his contribution to the growth and development of individuals in the Saint Michael's Community. Serving as chair of the Economic Department for eight years and as assistant academic dean for three years, Dr. Carvellas' dedication to both students and faculty shows how important it is to take an active role in the community. Dr. Carvellas is one of Saint Michael's sports teams biggest fans. He attended an untold number of athletic events as well as coached women's lacrosse, men's club football, and served on athletic task forces.

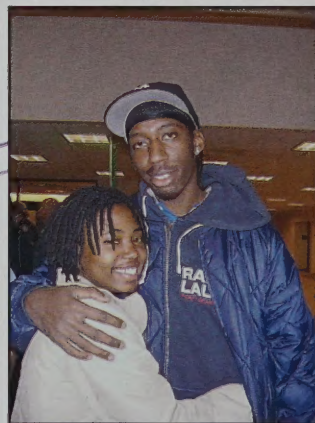

Dr. Carvella's constant presence on campus shows how devoted he is to the Saint Michael's community. We are sorry to hear that Dr. Carvella's is reducing his responsibilities at Saint Michael's and in light of this we did not want to let him go without knowledge of how much we love and appreciate him.

# SENIORS

**F**our years ago we entered Saint Michael's College as strangers ready to embark on a journey. We had no idea what to expect, who we would meet, and where it would take us. They say Saint Michael's is a community and we came in as individuals and we leave as family, the Class of 2006. We all came from different places, entered into different majors, and challenged ourselves in different ways. But one thing remains the same, we are the Class of 2006, and it will keep us forever connected. So as we enter out into the so called "real world," let us carry with us the community spirit of SMC. Whatever happens on this adventure of life, take one day at a time and remember that SMC will always be a part of our lives no matter where we go.

# In Loving Memory of:

## Augustine “Auggie” Carbunari

If there had to be one word to describe Auggie the word would be passion. Auggie was a very outgoing person who had a passion for music, soccer, and the outdoors. This was evident in his love for guitar, which he played with five friends in their band Domestic Blend. He was a very loving person who loved life, along with his family and friends and embraced life to the fullest.

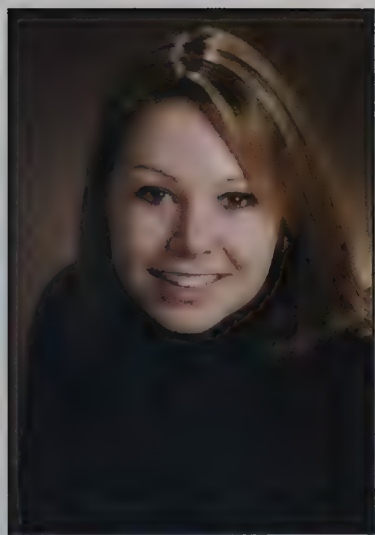

The members of the Class of 2006 will always remember Auggie for his big smile, and love of laughter and jokes. He was loved by all and we will miss him deeply. Our prayers will always be with him.

*I want to get up, I want to get up out of my chair, I want to feel free now, Just let me get up. Now he's warm and free, searching for nobody. Went down to the water, felt free just to see ripples in the lake this beautiful day. With no audience a calm aura in all of you. On a search for my castle, just ease no pain absolutely no time constraints. Smoke my mind.*

# Senior 2006 Week

*I hope you had  
the time of your life*

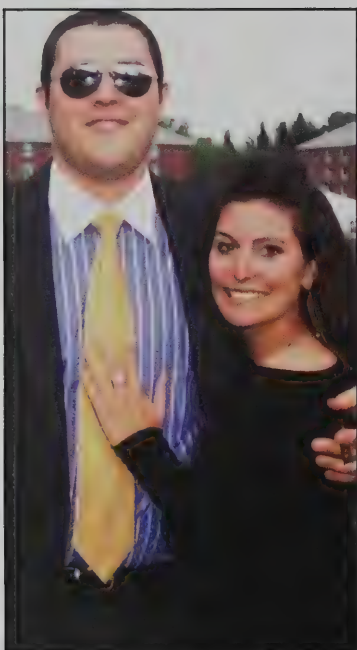

Senior week 2006 was filled with constant clouds and dark weather, but that didn't stop the class of 2006 from having a wonderful time. An amazing week included a Beruit tournament, class bowling trip, and a Senior Slide Show. Orange crush ended off the week with some 80s music and a huge bonfire helped the class of 2006 keep the good times alive long into the night. Food, fun, and friends were all that were needed to make the week memorable.

## Reflections ~ For the Class of 2006

I would like to start this speech by relating to you a story I read recently. It is the story of Narcissus, and what I am about to relate is actually a retelling of it in a prologue to a book called *The Alchemist*, by Paulo Coelho. The legend goes that Narcissus was so beautiful, and obsessed with his own reflection in the surface of a lake, that he stayed there day and night, eventually falling in, and drowning. On this spot on the bank a flower grew that came to be named after him. But here Mr. Coelho deviates from the original legend; he goes just a little bit further. A goddess of the wood comes upon the lake to find that it is weeping; it is full of tears, and salty. She asks why it weeps, and the lake replies, "I weep for Narcissus."

"Oh," she says, "is it because of his beauty that you mourn?" The lake goes, "was he beautiful? I did not notice. All I know is that when he looked at me, I could see, in the depths of his eyes, my own beauty reflected."

The boy saw his own beauty reflected in the lake, and the lake saw its beauty reflected in the boy. I think there is a similar relationship between students and their schools. Perhaps we graduating students see the best of ourselves in Saint Michael's, and our experiences here; and the school sees its greatness in us.

Today we look at this school and we see ourselves – we see four years of academic achievement, of learning. We remember the first time a professor set fire to our imagination, where we found passion in education. We also remember that first class we fell asleep in. We see four years of athleticism, of heartbreaking wins and losses, of teams, coaches, and camaraderie. We remember the aches in our bones, the soreness of our muscles, smiles, songs, and scars.

We see four years of service, whether here or abroad; clothing, building, teaching, and being with others. We remember the people we have helped, and what that helping has done for our own souls. We see four years of Campus Ministry; an example of discipline and collective worship with persons who share the same mystery. Whether through this or our own questioning, we have gotten closer to the light. We see times of all night conversation, music, good food and drink, laughter and dance. And perhaps we don't remember as many of these nights as we should.

We look at this school, and we see friendships, and lovers. We have fallen in and out of love here. We have come to know the cycle of the seasons. There has been the sun drenched tip of summer, the deep cold sleep of winter, rainy days, and trees in bloom. We hear the song of birds greeting a dawn splashed with purple and gold. We look at Saint Michael's College, and what we behold is our own growth, excitement, beauty, and youth

And likewise, Saint Michael's College looks back at us the same way. This school looks at this graduating class and sees yet another link in its great history. It sees in us the reflection of its mission; "to contribute through higher education to the enhancement of the human person and to the advancement of human culture in the light of the Catholic faith." It sees professors and administrators with a personal calling to illuminate minds, to stimulate thought and growth in this special place. The red brick buildings here creep with ivy and echo with our voices. And have echoed with countless voices like ours before. The echoes reverberate and mingle, sighing with the wind that is the voice of the future calling; Saint Michael's hears in us the voice of change.

The school sees itself in us, and we see ourselves in this school. We affect time and place, and time and place effects us. We are both completely original, utterly ourselves – and we are also part of great history and tradition. With this in mind I think it is easier to march proudly into the world beyond these buildings; head high, with courage, and great dignity. However, with this hope and excitement in my heart today looking at you, I cannot pretend that I am not also grieving. There is one of us missing.

But I will not name my grief "Auggie." That would be a disservice to him, he would not want that. Instead "Auggie" will be the name for the great love that I have seen in this community since his passing. It will be how I remember just how much everyone in this class loves each other, and needs each other. This story is written on all of our faces. Faces that will one day soon smile again when they think of him. The boy Narcissus saw his beauty reflected in the lake, and the lake saw its beauty reflected in the eyes of the boy.

We see our growth and self-knowledge reflected in Saint Michael's, and, likewise, it sees its greatness and tradition reflected in us.

We look into our grief, and all we can see is ever greater depths of love; and Auggie, though gone from this world, still sees his life and his music in us.

And while his work is done, ours is just beginning.

To the class of 2006, it has been an honor, and a pleasure.

Thank you.

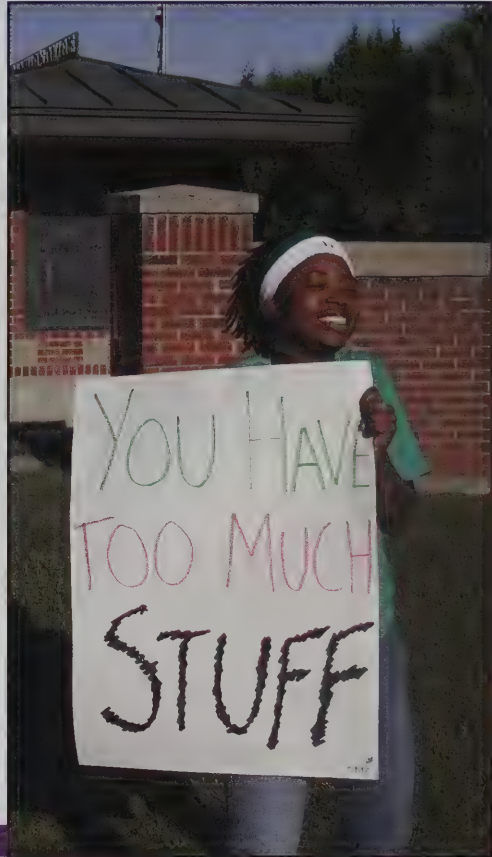

Mike Clark

A Winter Carnival sponsored by the Student Association, proved to be just what the students needed on a beautiful February weekend. The weekend was full of events including Frisbee, football, and a fence post relay. A broomball tournament even took place on the new ice rink,

constructed in the 300's field. The band Spiritual Rez and a Roots of Jazz concert provided further entertainment. Campus organizations got involved by sponsoring the many events. The historic weekend concluded with a Jibfest and a spectacular firework show.

## So Fresh So Clean

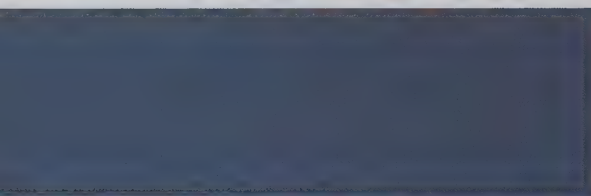

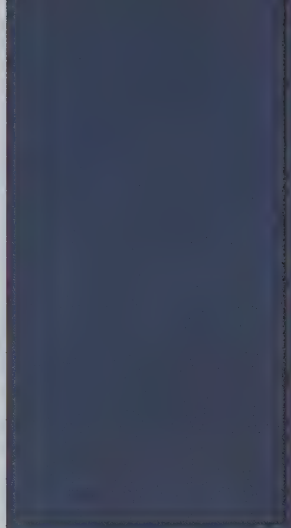

With the future of the long-standing tradition of P-Day hanging in the balance, students and facilitators were not disappointed. The 50th annual P-day event was one of the best ever at SMC. The event kicked off Friday night with Men's Rugby coming up with a big win against UVM in a match under the lights on the 300's field. Saturday's events began with a 1 mile Fun Run. Later, there were inflatables and a food tent representing 5 local restaurants and vendors. The day was wrapped up with a concert and a comedy show featuring Dave Attell. Following the show, students enjoyed a midnight breakfast provided by the Alliot staff. The weekend's theme, "So Fresh, So Clean," proved to be true. It was a beautiful sunny day with people playing games out on the field. Thanks to the new bracelet system and guidelines set by the SA, this year's P-Day was fun and safe for everyone.

# CLUBS & ORGANIZATIONS

# Student Association

2005-2006 proved to be a successful year for the Saint Michael's Student Association. The SA's accomplishments this year had a positive impact on the student body as well as communities in and around the Burlington area and throughout the world.

The SA worked hard to develop a constitutional change to release election results to the entire student body. Also, a comprehensive report was put in place with views of the students for the Board of Trustees. First year students felt the positive impact of the SA's hard work within the first few weeks of school with the set up of the first official library orientation for incoming students.

A year of firsts, SA was pleased to announce the completion of Eddie's, the first student lounge in the history of SMC. However, they didn't stop there. Not too long after was the unveiling of SMC's first official mascot in five years. Students were enthusiastic and there was record attendance at campus events. The extension of shuttle hours of 30 minutes on Friday and Saturday nights allowed students to remain on campus longer for events and activities helping to keep school spirit alive.

In the Fall over 2,000 students gathered in Ross Sports Center to hear Jurassic 5 in concert. Krazy Knights were also very successful in getting support for athletic events throughout the year and created a successful Purple Game Program. In the winter students continued to celebrate Saint Michael's first Winter Carnival in over 20 years! Lastly, the SA was noted for saving P-DAY! The amazing programming and events of the 50th P-Day celebration started Friday night and lasted until Sunday morning!

Along with student events, some of the Student Association's greatest successes this year benefited not only those in the Saint Michael's Community, but reached out to help others in need around the world. The SA raised and donated 7,000 dollars to hurricane Katrina relief efforts. Multiple classes and clubs were also successful in raising 5,000 dollars for the Kayamandi Project in South Africa. Also, 1% of the SA budget was donated to the Vermont Refugee Resettlement Program.

All in all this was one of Saint Michael's Student Association's most successful years!

## Mobilzation of Volunteer Efforts

MOVE is one of Saint Michael's most popular student organizations. Founded by Fr. Michael Cronogue, SSE, and a component of the Office of Edmundite Campus Ministry, MOVE recognizes that service is a distinct part of the Edmundite tradition. Community service, career preparation and leadership have been implicit in the mission of Saint Michael's College from the very beginning. MOVE provides students with a multitude of volunteer service opportunities. MOVE offers 28 student-run programs which allow you to volunteer in so many amazing ways on-campus, in the local community, domestically and internationally! Programs are coordinated by Saint Michael's students who make up the Core Team. Many Saint Mike's undergraduates are actively involved in some form of community service throughout the Greater Burlington area. Programs range from helping with Senior Citizens to reading in local schools, helping at an animal shelter to snowboarding with a young child, or even traveling over a college break on a week-long service trip. MOVE continuously proves to be a rewarding experience for students of the Saint Michael's community.

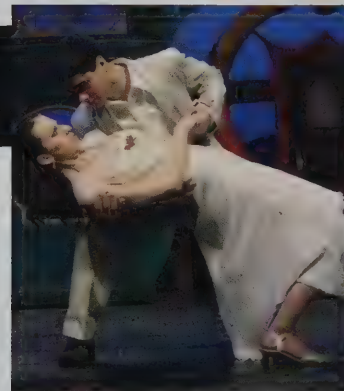

# The Comedy of Errors

Twin brothers, first-year students at Saint Michael's College, are fully engaged in brotherly high jinks playing Antipholus of Syracuse and Anthipholus of Ephesus, Shakespeare's twin brothers in *The Comedy of Errors*. This whimsical farce by the great bard is the main spring theater production of the Saint Michael's College theater department. The show opens with a father searching for his long lost twins and their twin servants. Comic chaos intensifies when he arrives in Ephesus, and no one knows that all of these twins reside therein.

*Woyzeck*, Saint Michael's main fall theatre production, is a story about the relationship between mental health and social morality, and individual freedom and social responsibility. The play is based on a true story about Johann Christian Woyzeck who killed his wife for cheating on him in 1822. During the trial Woyzeck's lawyers said he suffered from a history of hallucinations, homelessness, alcoholism, and dementia.

## WWPV

WWPV, the student run radio station at Saint Michael's College, provides music, information, and community service to the surrounding areas. Broadcasting at 88.7 FM, the station serves the SMC campus and communities in Chittenden County, including Burlington, Winooski, Colchester and Essex Junction. People who take part in this club have a love of music and a passion for college radio.

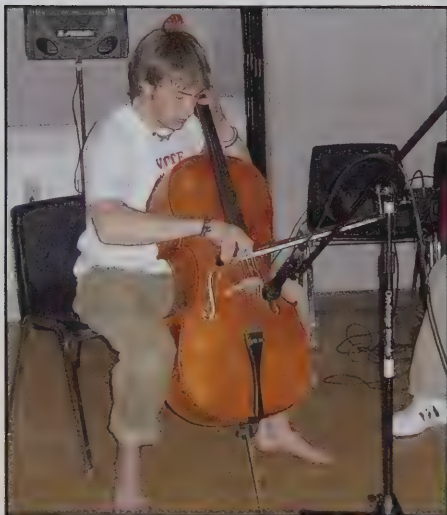

In the fall, WWPV put on a free concert featuring Japhy Ryder, Jodi Explodi, The Year's Best, Fallback, Carlson, and Lucy Vincent. WWPV also helped with the Walk for Katrina where they stayed up all night playing music for the participants. During the Spring semester WWPV put on two more free concerts. The first featured Domestic Blend, Fallback, and Lucy Vincent. The second concert featured Lyle King, Tha Home Team, Local Nothing, and the Hookups. WWPV raised money for United College Club, over \$240 for the Kayamndi Project in South Africa, Chittenden Emergency Food Shelf, and Katrina disaster relief with their concerts.

## Coffeehouse

Coffeehouse provides free music and shows/concerts to the SMC and the outside community along with free coffee and cookies. This club provides opportunities for SMC bands and students to play their own music. Coffeehouse club worked hard to try and have a show every Thursday.

This year Coffeehouse made use of the new lounge, Eddie's and had more local artists take part in shows each week. Green Mountain Coffee was donated for all those who attended. This year they also raised about \$300 for the Theo's Ikaya School in South Africa and gave a donation of \$150. Coffeehouse also helped out during Harvest Fest in the fall semester and during Earth week in the spring by sponsoring a band, as well as co-sponsored the Boston-based duo Cahill with the class of 2007 in the fall, Cahill then returned for a widely attended show at the end of March.

## A-Team

A-Team raises alcohol awareness on campus promoting responsibility rather than condemn the use of alcohol. The club plans alcohol free events such as movie nights, with pizza and raffles, tie-dye, mocktails at different events, tickets to the Flynn, holiday parties..etc.

# Drama Club

Drama Club consists of a group of students who enjoy watching, performing, and/or designing theater. Some members participate full force in acting, designing, participating on run crew...etc, Drama Club strives to make theatre available to all and to give the members a chance to produce, design, stage manage, or act in shows that they are interested in. The club encourages students to put on student exhibition projects of their choosing that in the past have included workshops, shows, design projects, improv sketches, and much more.

In the fall the drama club put on the third annual "24 Hour Play Festival", (organized by senior Mike Mosey), which is a 2 day event where student writers in groups of 4 or 5 create short plays all night (from 8pm-7am), and then student directors and actors rehearse those scripts all day the next day (7am-7pm), and then the shows go up at 8pm that night. Later in the year we also presented a Tom Stoppard play (put on by seniors Mike Mosey and Kevin Miller) that was very well attended. They also sponsored several student shows including an improv/sketch comedy act (a student project by senior Jon van Luling), a Sam Shepard play (designed by and starring senior Jessi Shuttleworth), and the play "Proof" (which include senior Andy Remillard as an actor, senior Kevin Miller as director, and senior Paul Harper as set designer), as well as many other productions.

Drama Club

# Science Club

The Science club is dedicated to scientific awareness on the campus, and involves students from all majors. The science club sponsors movie nights, lectures and trips that promote scientific knowledge.

This past year they sponsored two movie nights, showing *March of the Penguins* and *What the Bleep do we know?*. They also sponsored one lecture on the reptiles of Vermont, and trips to Montreal to visit the Bio-Dome, the botanical gardens and to see an IMAX film. In the spring they took a trip to Boston to visit the Science Museum and the Aquarium.

# Knitting Club

The knitting club consists of men and women on campus who like to knit and use their ability for a greater cause. The club works hard to make and donate hats and blankets to pre-mature babies at Fletcher Allen, scarves for COTS, and caps for the children at Fletcher Allen who are going through chemo therapy. This year the knitting club donated over 200 items this year.

# The Echo

The Echo is “the reflection of St. Michael’s College.” This weekly online magazine usually consists of ten or more staff, managing, and executive editors as well as has roughly forty contributing writers throughout the semester. They seek to make our publication distinct by providing user-interactivity, including audio/video multimedia that may be unavailable through other mediums and depend on readers’ feedback so that they can accommodate their audience’s needs. The Echo meets every Monday, Tuesday, and Wednesday nights to produce the publication which reaches a large variety of student, faculty, and alumni each year as well as extends beyond the St. Michael’s community borders to the United States and the rest of the world. The Echo staff participates in the Society of Professional Journalists conference each spring. This year the conference was at Rutgers University in Newark, NJ and they received 7 awards, including an award for the best online magazine or newspaper.

# Cheerleading

Supporting Saint Michael’s College Athletics, the Cheerleading club brings school spirit to SMC while helping to get the students involved in the school’s athletic teams and sporting events. Throughout the year the cheerleaders go to basketball games and other major sports games at SMC. They also have fundraisers and competitions.

-Analese Dunn

"I carry the values of the ROTC and the army to college and my school work."

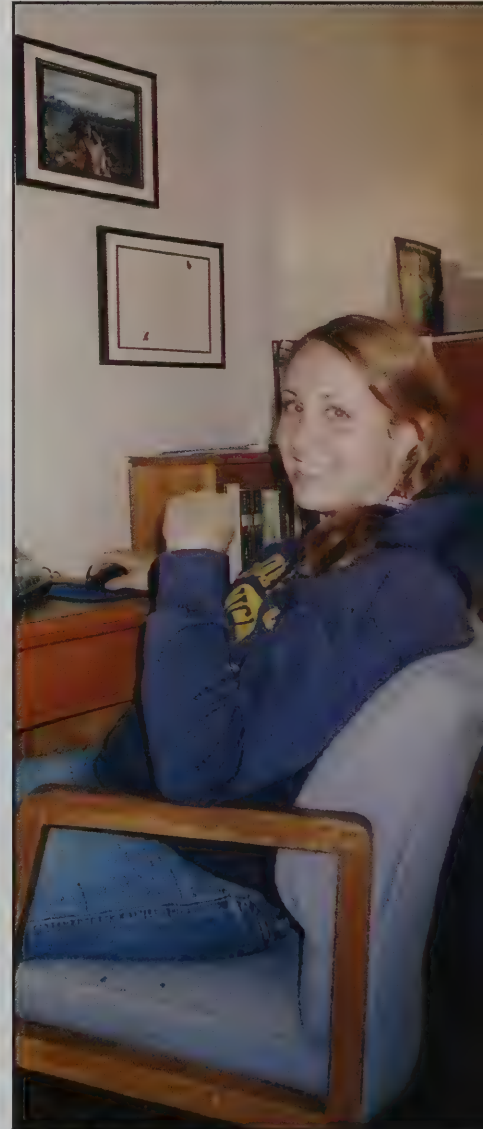

-Jason McLaughlin

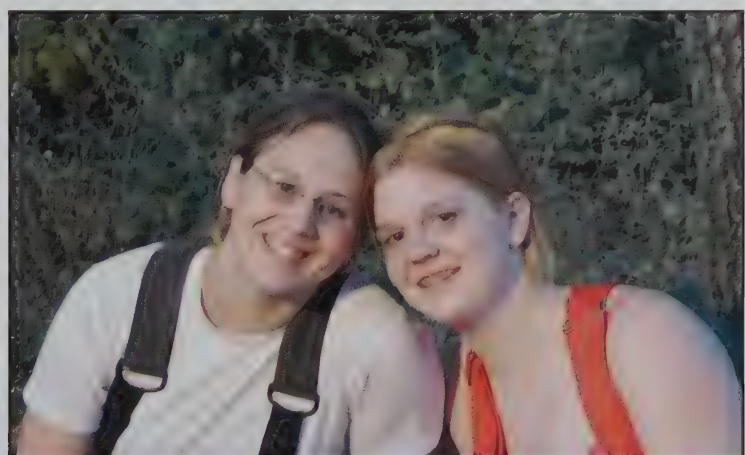

# Women's Center

The Women's Center promotes awareness of women's and gender equity issues by educating students, faculty and staff and supporting individual women by providing them with resources and referrals. This year they celebrated their five year anniversary and sponsored many successful events, including the annual Take Back the Night, a Halloween party co-sponsored by Ally and SIS, and Earth Week with Green Up. They also invited author Julia Alvarez for a reading. These events are just examples of the many ways the Women's Center continues to support and promote the important role of women in the Saint Michael's community.

# Fire and Rescue

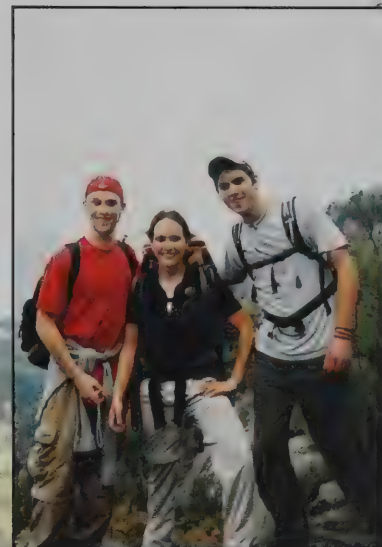

# Wilderness Program

The Wilderness Program had another successful year leading trips for students into the outdoors. The program offered a plethora of hiking, climbing, and kayaking trips throughout the year. They also offered students the opportunity to go on extended trips to Georgia for paddling and backpacking in the Grand Canyon. Heather McFarland says her favorite memory was “climbing in El Portero Chico, Mexico” during winter break. Michelle Miaskiewicz says “she

does not want to forget all the great, energetic people she met through the program.” The leaders take pride in the skills they have learned and enjoyed sharing with other students the joys of spending time outdoors.

The men had their best season. They had some great wins and a fun time as a team. The highlight of the season was their tie against Merrimack when Merrimack was #1 in the conference and in the country. The game went into two OTs with no score. Jerrod Hall says, "My experience at SMC was great. Each year we seemed to play better and come closer as a group of guys."

The team would like to thank the parents for being so supportive. Kimoi Seale says, "The parents were always screaming and cheering us on from the sidelines." Hall's favorite memory which sums up the season: "My last home game against St. Rose. We had all the seniors on the field and we were having a great time...and we also won which helps."

# Women's Cross Country

## No Limits

The women had a great season and they finished 9th at the NE-10. The team was very close and supportive of each other. The favorite race of the season was the last home race. The majority of the team ran personal bests and it was very emotional for the seniors to run on their home course one last time. The team has the highest GPA on campus, so not only are they competitors on the course but in class as well. The

women would like to especially thank Coach Larry Kimball for all of his efforts and time. This was his last season. Some favorite memories include pre-season camp, intervals up North, pasta dinners, last home race, beer mile, and getting pedicures and manicures. Robyn Bratica would like to offer this advice: "Run for yourself until you can give no more, then push harder and run for your teammates."

# Men's Cross Country

NE-10's: 9th of 14 NCAA Regionals: 7th of 20

The Saint Michael's Men's Cross Country team had a superb season. Senior captains Pat McGrath, Lionel Welch, Chris Lynch and Paul Wagner led the team, both physically and mentally, to one of the programs best seasons. Throughout the season the team was led by junior Thomas Litchenberger. The team earned a seventh place finish at regionals defeating both Bryant and Lemoyne colleges which they had set as a goal earlier in the season. Litchenberger led the team at regionals with a 16th place finish. The key to

this year's team success was its depth. The 4th through 8th runners were more influential in many of the races than the top runners. Although the team is losing its four seniors the team next year will work together and continue to move up in the conference as we have been over the past years. Chris Lynch says, "I will never forget driving to Franklin Park, Go Team Destroyer!" The team had memorable workouts along the Waterfront, keeping it rollin' around North Campus, Rolling Irish, and getting lost at Colchester track.

# Women's Swimming and Diving

New England Championships: 12th of 22

The women had a rebuilding season after losing a large senior class in 2005, but they gained a lot of fast first-years and placed 12th at the New England Championships. Katie Gundling shares, "my experience was filled with lots of fun and hard work." Other memories contributed by Tu Nguyen: "what lanes are we in?", chlorine, bus rides

and movies, 5am practice in the dark and cold, pom poms, tights, free Purple Knights sandwiches, ripping swim caps, training trip to Florida, double practices, changing on the deck, secret psyche, and a hot shower after practice." The swimming team experience can be summed up with two phrases: "It is a mind game" and "It's all worth it!"

# Golf

This year's season was a very rewarding one. They improved their performance from last year in all tournaments they participated in. The season was very enjoyable, rewarding and fun; it will always be remembered by its members. The highlights of the season were a 7th place finish at the NE-10 and an 11th place finish at the ECAC Championship.

Michael Duffy's favorite memory: "hitting a flop shot into the hole to save par, after hitting my tee shot at an island green into the water." Favorite quote: "Rita! No golf!"-Andrew Deloria. The team would like to especially thank Coach Chris Davison for his time and commitment to the development of the golf team and program.

# Softball

Overall Record: 18-24 Northeast-10 Record: 12-16

This year's softball team finished their season with an overall record of 18-24. Although they were not able to make it back to the playoffs, this year proved to be a great year. Junior Casey Brooks had a particularly good season, breaking numerous hitting records. Seniors Meagan Newland, Elizabeth Pigeon, and Erin Poyant, and many other outstanding players along the way, have contributed to turning SMC Softball into a winning

program. This year's team was a fairly young team with only three seniors. Though the seniors will be sorely missed we should expect to see great things from this team in the future. Coach Robyn spends countless hours tirelessly working to help her players improve and continues to grow with the team. According to senior Meagan Newland, "the greatest part has been the people I have met. They have become my best friends. I have grown so much from the beginning and I owe it all to them."

# Women's Rugby

The 2005-2006 women's rugby team finished 4-1 and tied for first in their division. Over the years there have been many up and down seasons but SMC women always work to improve their game and have fun doing it. The team has come a long way

from its beginning. Through a lot of hard work these women have been able to build a winning program that continues to offer an opportunity for women to come together, entertain, and display their athleticism for the Saint Michael's community.

# Men's Rugby

Rugby has a long history at Saint Michael's College. With teams dating back to the early 1970's, alumni find themselves coming back each year to cheer on the current teams and offer proof that the sport provides challenge and networking on and off the field. This year they proved themselves worthy of respect. The hard work and dedication displayed by both the leaders and players of the team paid off with a winning season. This year's team finished with an overall record of 3-2. They made it to the

playoffs this year to compete for the NERFU plate. The spring tournament season proved to be successful as well. As part of the P-Day festivities they won 32-5 in a friendly match against UVM in their first ever night game. The team will be losing 13 seniors; all of which have worked hard to build a winning program. Though it will be tough with out them there are some talented and dedicated players coming up to carry the team to future success.

Kristin

Congratulations to our beautiful blonde middle child. Since you were old enough to walk you demonstrated your self-confidence, self-motivation, and true independence. Your compassion towards people less fortunate than you is something that is admirable and doesn't go unnoticed. As Parents you have made us proud beyond words. Thank you for being such a wonderful daughter. We love you lots.

Mom and Dad

You've Come Along Way Baby!

# IMAGINE...

Imagine there's no Heaven  
It's easy if you try  
No hell below us  
Above us only sky  
Imagine all the people  
Living for today

Imagine there's no countries  
It isn't hard to do  
Nothing to kill or die for  
And no religion too  
Imagine all the people  
Living life in peace

You may say that I'm a dreamer  
But I'm not the only one  
I hope someday you'll join us  
And the world will be as one

Imagine no possessions  
I wonder if you can  
No need for greed or hunger  
A brotherhood of man  
Imagine all the people  
Sharing all the world

You may say that I'm a dreamer  
But I'm not the only one  
I hope someday you'll join us  
And the world will live as one

John Lennon – Imagine
